

# BIG Warranties Residential Home Emergency Insurance

You have selected a **home** emergency policy that will provide assistance to you in your **home**. **We** will respond with expert help if you suffer an emergency arising from an incident covered under this policy and send a **contractor** out who will take action to resolve the emergency.

## The purpose of this insurance

This insurance policy is designed to work alongside your household buildings or contents insurance policy. Whilst **we** are happy to assist you in an emergency by sourcing a **contractor**, **we** aren't able to provide you with help relating to day-to-day maintenance of your **home** and its contents.

## How to make a claim

Major emergencies which could result in loss of life or serious damage to the **home** should be immediately advised to the supply company and/or public emergency services.

**Gas leaks must be immediately notified to the National Gas Emergency Service on 0800 111 999.**

Please look at **your** insurance policy and **schedule** to check **your** level of cover and have **your** policy number and intermediaries name to hand. This policy is designed to assist **you** during an emergency. It will not cover situations that are not notified to **us** within **48 hours** of the incident.

Call **our** helpline on 01384 884080. Our helpline is open 24/7, 365 days a year.

**We** will ask **you** some questions to check **your** identity and the details of **your** emergency. **We** will talk **you** through **your** cover and let **you** know what **we** will do next.

## Some Important Information

- If **we** accept your claim, the claims helpline will source a suitable **contractor** to attend your **home** and endeavour to resolve the emergency. This is subject to there being no circumstances that would prevent access or otherwise prevent the provision of **emergency repairs**, such as adverse weather conditions, industrial disputes, and/or failure of the public transport system.
- The claims helpline service and tradesperson will use their discretion as to when and how the **emergency repairs** are undertaken.
- The **contractor** will invoice the cost of all work covered by the insurance to **us**. **You** will be asked to pay the cost of;
  - a. Call-out charges if there is no authorised adult available at the **home** at the time **our contractor** arrives to carry out the work.
  - b. All charges in excess of the claims limits or any work excluded by this insurance – **you** will be informed of this before any work is undertaken.
  - c. Any additional costs incurred at **your** request in fitting replacement parts or components of a superior specification to the original.
- There may be times when replacement parts are unavailable, delayed or are no longer available because of circumstances beyond **our** control. In the event of this occurring **we** will ensure that **your home** is safe.
- In the event you engage the services of a **contractor** prior to making contact with the Claims Helpline Service any costs incurred by you will not be covered by this insurance.
- **Your** claim will not be considered an emergency unless it is reported within 48 hours of discovery.

# What you need to know

## Confirming Policy Details...Helping Us Help You

In some situations **we** may not be able to assess **your** claim or confirm **your** policy is operative from the information and details provided by you. It may therefore be necessary for **our contractor** to attend **your home**, assess the situation and provide **us** with a report. In these circumstances you will be asked to leave either credit or debit card details which may be debited in the event that the cost of the call-out and any subsequent repairs are not covered by this insurance. This will help **us** respond to **your** emergency without unnecessary delay, and provides you with an option to receive emergency assistance at **your home** should cover be excluded under **your** policy.

## Household Buildings and Contents

This insurance policy is designed to offer 24 hour assistance if **you** suffer a **home** emergency. It complements but does not replace either **your** household buildings or contents insurance policy, and there may be times where this is the more appropriate route for cover. If the situation is not an emergency as defined in the policy wording, **you** should contact **your** buildings or contents insurance provider for claims assistance.

## How Your Cover Works

This policy covers **temporary repairs**, or a permanent repair where this can be done at a similar cost or where no **temporary repair** is available. If **our contractor** advises there is no temporary, permanent or economical repair available, then cover will cease under this insurance.

For cover to apply under this policy, the situation that arises must fall within the definition of an emergency under each section of cover in the policy.

## Maintenance of Your Home

It is a requirement of this policy that **you** maintain **your home**, including fixtures and fittings. This includes boilers which should be maintained in accordance with the manufacturer's recommendations.

## Trace and Access

There may be times when **our contractor** has to carry out trace and access in order to locate the emergency. This may involve removing and/or damaging parts of the **home**, fixtures and fittings to enable the **contractor** to find the source of the issue. In these circumstances, **we** will not be responsible for any damage caused where this has been deemed as necessary by **our contractor** in order to complete a **temporary repair** (or a permanent repair where this can be done at a similar cost).

## Working Together

To enable **us** to provide the best possible claims service to **you**, **we** shall require **your** full co-operation at all times. This may, at **your** own expense, include providing any evidence, documents or receipts as requested by **us** or **our** representative. If **your home** emergency claim is accepted, **we** ask that you allow access for the **contractor** to attend **your home** within 24 hours of the claim being reported to **us**. If you delay and/or prevent the **contractor** from attending within 24 hours **we** may withdraw cover.

There may be times where **our contractor** has to order parts that are not readily available.

## Other Similar Insurance

If you claim under this policy for something which is also covered by another insurance policy, you must provide **us** with full details of the other insurance policy. **We** will only pay **our** share of any claim.

### **Compensation Scheme**

Royal & Sun Alliance Insurance plc is a member of the Financial Services Compensation Scheme (FSCS). This provides compensation in case any member goes out of business or into liquidation and is unable to meet any valid claims against its policies. **You** may be entitled to compensation if **we** cannot meet **our** obligations, depending on the circumstances of the claim. Further information about the compensation scheme can be obtained from the FSCS.

### **Annual Boiler Service**

If when buying this policy **you** have also purchased an annual gas boiler service then this will be shown in **your** policy schedule.

Please note that the annual boiler service is arranged for **you** by BIG Warranties and will be undertaken by one of our network of engineers in accordance with the Gas Safety Regulations and the manufacturer's instructions for **your** boiler. Please make sure that **you** have the manufacturer's instructions available for the engineer when they attend. The Annual Boiler Service will be undertaken once a year, usually between April and September. Please note that the Annual Boiler Service does not include any maintenance or remedial work.

If **you** have any concerns about the Annual Boiler Service you should refer them to [customerservices@bigwarranties.co.uk](mailto:customerservices@bigwarranties.co.uk) or call 0800 7797444 as these concerns will be addressed by BIG Warranties directly as the Annual Boiler Service is not subject to regulation by the Financial Conduct Authority or the complaints process run by the Financial Ombudsman Service, which apply to the insurance policy.
